RE: 2011 Safety Award

Ladies and Gentlemen:

Congratulations! Inspector Mike Darneal has awarded your permit #L.E.-1989 (Pope's Point) this year's annual safety award for his territory. A nice, large road sign indicating "2011 Inspector's Safety Award" will be given to you to place on your mine site. Each inspector will be presenting this year's safety awards to the winners at the Annual Mine Health and Safety Conference in October. I would like to personally encourage you to attend this year's conference so that your award can be presented to you in front of your industry peers. In addition, pictures of our safety winners will appear on the Department of Mines' website.

A copy of the conference brochure is attached. If you need additional information or would like to register for the conference, please contact the Oklahoma Miner Training Institute at 918/465-1872. We look forward to seeing you there. Thank you for being safety conscious.

Sincerely,

Douglas Schooley  
Deputy Director

cc: Mike Darneal
